WORK EXPERIENCE

Historic England

May 2024 - Present

Business Officer

London, UK

Historic England is the public body responsible for preserving England's historic environment, providing expert guidance and advocacy for heritage conservation.

- Assess planning, listed building consent and scheduled monument consent applications against statutory consultability criteria across eight boroughs (avg. 15 cases/week), logging and tracking deadlines, and presenting recommendations to inspectors at weekly sift meetings.
- Manage the application process for grants while providing guidance to applicants on submission criteria and expectations.
- Collaborate with seven cross-functional teams to improve casework processes and service quality.
- Nominated by line manager for the Recognition Award (Spring Round), acknowledging achievements and performance between October 2025 and March 2026.

BetaGen Academy (formerly Cypher Coders)

Jun. 2024 - Present

Curriculum and Club Teacher (Part-time)

London, UK

- Deliver coding and robotics sessions in after-school clubs and camps to ~150 pupils per term across Reception to Year 6; role continued under BetaGen following Cypher Coders' liquidation in Oct. 2025.

Malvus Sense Sdn. Bhd.

Oct. 2020 - May 2022

GIS Analyst and Technician

Negeri Sembilan, Malaysia

Malvus Sense Sdn. Bhd. is a leading provider of aerial data acquisition and remote sensing services in Malaysia.

- Processed UAV photogrammetry (Structure-from-Motion) and lidar point clouds in Pix4D to produce orthomosaics and digital elevation models (DEMs/DSMs) for slope monitoring across 700km of Malaysia's Federal Road.
- Cleaned, quality-checked and standardised large geospatial datasets for consistency and integrity, and contributed to team-produced software manuals and client training in FME, Pix4D, and QGIS.

HZF Resources Sdn. Bhd.

Nov. 2022 - May 2023

Administrator Assistant

Selangor, Malaysia

HZF Resources is an asset management company overseeing a portfolio of retail convenience stores, real estate, agricultural estates, and vending operations.

- Digitised and maintained company records using Microsoft Excel and EPOS systems, improving data accuracy and accessibility.
- Placed vendor orders and monitored stock levels to keep retail inventory accurate and replenished.
- Assisted in planning three company events (10–30 attendees each).

EDUCATION

University College London

Sep. 2022 - Sep. 2023

MSc Geospatial Science (GIS and Computing) (Merit)

London, UK

Dissertation: Leveraging Language Models for Information Extraction of Entities in Orbital Environment Evolution

Developed and evaluated an NLP pipeline to extract orbital environment entities from unstructured official documents, using three approaches: in-context learning with large language models (LLMs), embedding with a retrieval QA model, and a fine-tuned QA model.

University of Brighton

Sep. 2017 - Sep. 2020

BSc HONS Earth and Ocean Science (Upper Second 2:1)

Brighton, UK

Dissertation: Changing in Sediment Regime of River Kelantan using GIS and Remote Sensing

Examined the relationship between land cover, land use, and sediment change within a 500-metre buffer zone on both sides of the riverbank, using Landsat 8 data. The analysis covered a 5-year period from Kuala Krai to Tumpat, Malaysia.

SKILLS, TECHNOLOGIES & LANGUAGES

- **Skills:** Geospatial and Statistical Analysis; Remote Sensing; Photogrammetry (Structure-from-Motion); Lidar Data Processing; Data Management; Data Analysis and Visualization; Natural Language Processing (NLP); Web Development; Agile Methodology; Grant and Project Management; Technical Writing and Documentation
- **Programming & Data Science:** Python; R; R Markdown; JavaScript; HTML; CSS; Node.js; NumPy; Scikit-learn; PyTorch; Keras; NetworkX; OpenAI API; Hugging Face API
- **GIS & Design Tools:** Pix4D; FME; PostgreSQL; PostGIS; GDAL; GeoJSON; GeoPandas; CesiumJS; VU.CITY; Esri Web AppBuilder; VertiGIS Studio; ENVI; Autodesk Revit; Autodesk Recap; Autodesk 360
- **Certifications:** Disclosure and Barring Service: Enhanced Certificate
- **Languages:** English; Malay
